NOTES FROM THE JUNIORS

You didn't just pass through these halls — you changed them. Every junior walking in next year will feel your presence without ever having met you. That, more than anything, is the mark of a great batch.

TO · BATCH '26
— JUNIORS, COLLECTIVELY

Working with you both never felt like just society work it became something I genuinely enjoyed. I built a bond with you beyond all of that, and I'll always value it. You're truly the best seniors I could have asked for. Thank you for everything ❤️

TO · THE LEADERS
— SCOOTY GUY

Somehow, even the most stressful days turned into memories we'll smile about later. We'll truly miss you, working with you guys was the best part of it all. Thank you for handling all our chaos and always having our back. Wishing you all the success ahead. Lots of Love!

NOTE

TO · THE LEADERS
— UNBREAKABLE LAPTOP GUY

You didn't just lead Us, you survived us and honestly that's your biggest achievement. I know it wasn't easy dealing with this much talent (and nonsense). From deadlines to drama, you handled it all like pros (with a little panic, of course). Go out there and keep slaying, but don't forget your favourite headache - Us

TO · THE LEADERS
— "BEST TEAMMATE"

Wishing you all the best for your next chapter, it was good being part of the society with you guys. Wishing you happiness, success, and everything you aim for. Take care and all the best ahead!

TO · THE LEADERS
